SUBJECT: Second Reading – WDA-19-01 - Development Agreement Application – Jeff & Tina Smith – Nesbitt Street (PID 45056793)

Origin:

Property owners, Jeff and Tina Smith, have applied to the Town of Windsor to enter into a development agreement to enable a food market on the subject lands, PID 45056793, a vacant lot on Nesbitt Street.

Recommendation:

THAT COUNCIL APPROVE SECOND READING OF THE REQUEST FROM JEFF AND TINA SMITH TO ENTER INTO A DEVELOPMENT AGREEMENT TO ALLOW DEVELOPMENT OF A LOCAL COMMERCIAL USE (FOOD MARKET) IN A RESIDENTIAL DESIGNATION ON PID 45056793, NESBITT STREET, WINDSOR

Background:

Jeff and Tina Smith applied to the Town of Windsor to enter into a development agreement to develop a local commercial grocer or food market on the subject lands, PID 45056793, a vacant lot on Nesbitt Street. This lot is located in a predominantly residential area. Applications for local commercial uses are permitted in residential areas through development agreement, as individual applications require unique solutions to accommodate the unique neighborhood issues.

This application was supported at the Planning Advisory Committee meeting held February 20, 2019 and at First Reading of Council on February 26, 2019, pending addressing concerns around parking and traffic in the residential area. Based on advice from Staff, Committees, and Council, the applicant has altered the site plan to accommodate traffic and parking concerns, ensuring a clear entry-exit area and parking areas. Vegetation and parking have been arranged to preserve the quiet enjoyment of the neighboring residential properties. To ensure safe traffic and parking on Nesbitt Street continues, on-street parking abutting PID 45056793 shall be removed to accommodate large-vehicle turns into and out of PID 45056793 from Nesbitt Street.

This will result in a local-commercial grocery or food market in a residential area, promote walkable neighborhoods with local services, while also providing employment and improving the quality of life for nearby residents.
Policy Implications:

See Staff Report dated February 13, 2019, subject “WDA-19-01 - DEVELOPMENT AGREEMENT APPLICATION – JEFF & TINA SMITH (PID 45056793) TO ALLOW LOCAL COMMERCIAL USE DEVELOPMENT IN A RESIDENTIAL DESIGNATION”

Budget Implications:

Developing vacant lots on existing serviced land will increase property value and improve the annual revenues of the Town of Windsor.
